

NFP Course list 2010

Short Courses overview

The overview below states the short courses **that fall into the first embassy deadline of 1 October 2009**. The short courses that fall into the 2nd embassy deadline will be published later. It is expected that at the end of August the complete NFP brochure 2010 will be available. Please see page 5 for more information per course.

	Next course begins	NFP academic Application deadline
Agriculture, forestry and fishery		
■ HAS Den Bosch, University of Applied Sciences		
Animal Health & Welfare	5 January 2010	1 September 2009
Export Management and Global Trade in Horticulture	4 January 2010	1 September 2009
■ PTC+		
Module Product Quality & Food Safety (Part of the IDPigH & AF, IDPigH, IDPoultryH & AF and of the IDPoultryH)	4 January 2010	1 September 2009
Module Feedstuffs & Feed Formulation (Part of the IDPigH & AF, IDPigH, IDPoultryH & AF and of the IDPoultryH)	18 January 2010	1 September 2009
Module Training and Extension (Part of the IDPigH & AF, of the IDPigH, of the IDPoultryH & AF and of the IDPoultryH)	18 January 2010	1 September 2009
Module Poultry Production Technology (Part of the IDPoultryH & AF and of the IDPoultryH)	1 February 2010	1 September 2009
Module Poultry Breeding Management and Incubation (Part of the IDPoultryH & AF and of the IDPoultryH)	4 January 2010	1 September 2009
International Diploma Dairy Husbandry and Milk Processing	25 January 2010	1 September 2009
International Diploma Animal Feed (IDAF)	1 March 2010	1 September 2009
Module Pig Production Technology (Part of the IDPigH & AF and of the IDPigH)	1 February 2010	1 September 2009
Module Pig Breeding and Artificial Insemination (Part of the IDPigH & AF and of the IDPigH)	4 January 2010	1 September 2009
■ UNESCO-IHE Institute for Water Education		
Groundwater Resources and Treatment	1 March 2010	1 September 2009
Conventional Surface Water Treatment	8 February 2010	1 September 2009
■ Wageningen International - CD&IC Programme		
Climate change adaptation in agriculture and natural resources management	1 March 2010	1 September 2009
Competing claims on natural resources	22 February 2010	1 September 2009
Local governance and rural decentralisation: multi-stakeholder processes for institutional strengthening	8 February 2010	1 September 2009
Participatory planning, monitoring & evaluation - navigating & managing for impact	1 March 2010	1 September 2009
Architecture and town planning		
■ International Institute for Geo-information Science and Earth Observation (ITC)		
Analyzing and Monitoring Urban Development	4 January 2010	1 September 2009
Spatial Interventions in Urban Planning and Management	8 March 2010	1 September 2009
Introduction to Geoinformatics	18 January 2010	1 September 2009
Principles of Land Administration	15 February 2010	1 September 2009
Distance Course in Principles of Databases (E-learning)	8 February 2010	1 September 2009
Diploma Course in Geo-information Science & Earth Observation for Geoinformatics	11 January 2010	1 September 2009

	Next course begins	NFP academic Application deadline
Business administration and management		
■ Maastricht School of Management (MSM)		
Financial Management (FM)	15 January 2010	1 September 2009
Strategic Management (GSM)	15 January 2010	1 September 2009
Engineering		
■ UNESCO-IHE Institute for Water Education		
Coastal Systems	11 January 2010	1 September 2009
On-line course Integrated Coastal Zone Management (E-learning)	1 March 2010	1 September 2009
On-line course Flood Modelling for Management (E-learning)	1 March 2010	1 September 2009
Coastal and Port Structures II	1 March 2010	1 September 2009
Coastal and Port Structures I	8 February 2010	1 September 2009
On-line course Sanitation-related urban groundwater pollution (E-learning)	1 March 2010	1 September 2009
On-line course in Service Oriented Management of Irrigation Systems (E-learning)	15 January 2010	1 September 2009
Environmental Science		
■ International Institute for Geo-information Science and Earth Observation (ITC)		
Applications of Earth Observation and GIS in Integrated Water Resources Management	18 January 2010	1 September 2009
Distance Course in Geostatistics and Open-Source Statistical Computing (E-learning)	25 January 2010	1 September 2009
■ UNESCO-IHE Institute for Water Education		
On-line course on Wetland Management (E-learning)	1 March 2010	1 September 2009
Constructed Wetlands for Wastewater Treatment (formerly known as :Wetlands for Water Quality)	1 March 2010	1 September 2009
Environmental Engineering	1 March 2010	1 September 2009
Environmental Policy Making	1 March 2010	1 September 2009
On-line course on Ecological Sanitation (E-learning)	1 March 2010	1 September 2009
Water Quality Assessment	8 February 2010	1 September 2009
On-line course on Integrated River Basin Management (E-learning)	1 March 2010	1 September 2009
■ University of Twente		
Formulating Proposals for CDM Projects	8 March 2010	1 September 2009
General programmes		
■ Leiden University		
Study Abroad Programme: Biomedical Research	1 February 2010	1 September 2009
Law		
■ Leiden University		
Short course: International Tax Law: Transfer Pricing Rules in International Taxation	2 January 2010	1 September 2009
■ UNESCO-IHE Institute for Water Education		
Negotiation and Mediation for Water Conflict Management	1 March 2010	1 September 2009
■ University of Amsterdam		
Amsterdam Exchange Programme	1 February 2010	1 September 2009

	Next course begins	NFP academic Application deadline
Mass communication and Information Science		
<p>■ Hogeschool Utrecht, University of Applied Sciences European Culture & European Journalism</p>	1 February 2010	1 September 2009
<p>■ Radio Nederland Training Centre (RNTC) International Course Broadcast Journalism (Radio & Internet - Television & Internet) - Good Governance</p>	1 February 2010	1 September 2009
Medical and health sciences		
<p>■ KIT (Royal Tropical Institute) Human Resources Development for Health (HRD) Health Systems Research (HSR)</p>	8 March 2010 15 February 2010	1 September 2009 1 September 2009
<p>■ Maastricht University Economic Analysis of Health Systems Food Policy: Concepts, Methods and Policy Debate</p>	30 January 2010 27 February 2010	1 September 2009 1 September 2009
<p>■ University of Amsterdam Culture, Psychology and Psychiatry Gender, Reproductive and Sexual Health and Fertility</p>	1 February 2010 4 January 2010	1 September 2009 1 September 2009
<p>■ VU University Amsterdam SEIN/VUmc Course Clinical Epileptology</p>	1 February 2010	1 September 2009
Natural sciences		
<p>■ International Institute for Geo-information Science and Earth Observation (ITC) Distance Course in Hyperspectral Remote Sensing (E-learning) Geo-information & Earth Observation for Problem Solving in Applied Earth Sciences Advanced Earth Observation and Quantified Modeling in Applied Earth Sciences</p>	1 February 2010 4 January 2010 8 March 2010	1 September 2009 1 September 2009 1 September 2009
Social and behavioural sciences		
<p>■ Institute for Housing and Urban Development Studies (IHS) International Course on Urban Social Development and Policies for Poverty Reduction (ICHUD92-S) International Courses on Development Strategies (ICHUD92-U) International Courses on Housing and Urban Development (92nd ICHUD) International Courses on Housing: Making it Accessible for All (ICHUD92-H) International Courses on Land Development Strategies and the Future of Cities (ICHUD92-L) International Courses on Urban Environmental and Infrastructure Management (ICHUD92-E) International Course on Managing Urban Governance (ICHUD92- G)</p>	27 January 2010 27 January 2010 9 February 2010 26 January 2010 27 January 2010 27 January 2010 27 January 2010	1 September 2009 1 September 2009 1 September 2009 1 September 2009 1 September 2009 1 September 2009 1 September 2009
<p>■ Institute of Social Studies (ISS) Short course on Universalising Socioeconomic Security for the Poor (USS)</p>	13 January 2010	1 September 2009

Next course begins NFP academic
Application deadline

■ **International Centre for development oriented Research in Agriculture (ICRA)**

Multi-stakeholder processes for knowledge-based rural innovation 25 January 2010 1 September 2009

■ **Maastricht University**

The Law and Policy of the World Trade Organization 1 March 2010 1 September 2009
Social Budgeting 1 March 2010 1 September 2009
Introduction to Sustainable Development 1 February 2010 1 September 2009
International Economics 1 February 2010 1 September 2009
Financing Social Protection 1 February 2010 1 September 2009
Governance for Sustainable Development, concepts and practice 8 March 2010 1 September 2009

■ **University of Amsterdam**

Social, Cultural and Historical Dimensions of Infectious Disease 4 January 2010 1 September 2009
Aids in the 21st Century: A Medical Anthropological Perspective 18 January 2010 1 September 2009
Children, Health and Well-Being: A Cultural Perspective 1 February 2010 1 September 2009
Medicine and Human Rights in Cross-cultural Perspective 18 January 2010 1 September 2009

Agriculture, forestry and fishery

HAS Den Bosch, University of Applied Sciences

International Office

P.O. Box 90108 5200 MA 's-Hertogenbosch
31 - (0)73-6923600 31 - (0)73-6923699
international@hasdb.nl www.hasdenbosch.nl

■ Animal Health & Welfare

Leading to: Certificate
Course duration: 10 Weeks
Next course begins: 5 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc Animal Science or Husbandry or equivalent.

Professional requirements:

Recommended.

HAS Den Bosch, University of Applied Sciences

International Office

P.O. Box 90108 5200 MA 's-Hertogenbosch
31 - (0)73-6923600 31 - (0)73-6923699
international@hasdb.nl www.hasdenbosch.nl

■ Export Management and Global Trade in Horticulture

Leading to: Certificate
Course duration: 10 Weeks
Next course begins: 4 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

Bachelor in Horticulture or equivalent.

Professional requirements:

Recommended.

Other requirements:

Working experience is recommended.

PTC+

International Office

P.O. Box 64 3770 AB Barneveld
31 - (0)342-406500 31 - (0)342-406969
internationaloffice@ptcplus.com
www.ptcplus.com

■ Module Poultry Production Technology (Part of the IDPoultryH & AF and of the IDPoultryH)

Leading to: Certificate
Course duration: 4 Weeks
Next course begins: 1 February 2010
Academic application deadline: 1 September 2009

Educational requirements:

At least a diploma in agricultural science with a major in animal production, or its equivalent from a recognized institute.

Professional requirements:

At least 3 years in transferring knowledge of and skills in livestock production.

Other requirements:

Willingness to participate in all aspects of the module.

PTC+

International Office

P.O. Box 64 3770 AB Barneveld
31 - (0)342-406500 31 - (0)342-406969

www.ptcplus.com

■ Module Feedstuffs & Feed Formulation (Part of the IDPIgH & AF, IDPIgH, IDPoultryH & AF and of the IDPoultryH)

Leading to: Certificate
Course duration: 2 Weeks
Next course begins: 18 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

At least a diploma in agricultural science with a major in animal production, or its equivalent from a recognized university.

Professional requirements:

At least 3 years in transferring knowledge of and skills in livestock production.

Other requirements:

Willingness to participate in all aspects of the module.

■ Module Product Quality & Food Safety (Part of the IDPIgH & AF, IDPIgH, IDPoultryH & AF and of the IDPoultryH)

Leading to: Certificate
Course duration: 2 Weeks
Next course begins: 4 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

At least a diploma in agricultural science with a major in animal production, or its equivalent from a recognized university.

Professional requirements:

At least 3 years in transferring knowledge of and skills in livestock production.

Other requirements:

Willingness to participate in all aspects of the module.

PTC+
International Office
P.O. Box 64 3770 AB Barneveld
31 - (0)342-406500 31 - (0)342-406969
internationaloffice@ptcplus.com
www.ptcplus.com

■ **Module Poultry Breeding Management and Incubation (Part of the IDPoultryH & AF and of the IDPoultryH)**

Leading to: Certificate
Course duration: 4 Weeks
Next course begins: 4 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

At least a diploma in agricultural science with a major in animal production, or its equivalent from a recognized institute.

Professional requirements:

At least 3 years in transferring knowledge of and skills in livestock production.

Other requirements:

Willingness to participate in all aspects of the module.

PTC+
International Office
P.O. Box 64 3770 AB Barneveld
31 - (0)342-406500 31 - (0)342-406969
internationaloffice@ptcplus.com
www.ptcplus.com

■ **International Diploma Dairy Husbandry and Milk Processing**

Leading to: Diploma
Course duration: 26 Weeks
Next course begins: 26 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

Diploma or BSc degree in agriculture, veterinary science or food processing.

Professional requirements:

3 years of relevant working experience

Other requirements:

Positive attitude to a hands-on training programme.

PTC+
International Office
P.O. Box 64 3770 AB Barneveld
31 - (0)342-406500 31 - (0)342-406969
internationaloffice@ptcplus.com
www.ptcplus.com

■ **International Diploma Animal Feed (IDAF)**

Leading to: Diploma
Course duration: 13 Weeks
Next course begins: 1 March 2010
Academic application deadline: 1 September 2009

Educational requirements:

Preferably equivalent to the International Diploma Courses of PTC+.

Professional requirements:

At least 3 years in transferring knowledge and skills in livestock production to individuals and/or groups.

Other requirements:

Direct involvement in animal nutrition and feeding and in the manufacture of animal feeds.

PTC+
International Office
P.O. Box 64 3770 AB Barneveld
31 - (0)342-406500 31 - (0)342-406969
internationaloffice@ptcplus.com
www.ptcplus.com

■ **Module Pig Production Technology (Part of the IDPiGH & AF and of the IDPiGH)**

Leading to: Certificate
Course duration: 4 Weeks
Next course begins: 1 February 2010
Academic application deadline: 1 September 2009

Educational requirements:

At least a diploma in agricultural science with a major in animal production, or its equivalent from a recognized university.

Professional requirements:

At least 3 years in transferring knowledge of and skills in livestock production.

Other requirements:

Willingness to participate in all aspects of the module.

PTC+
International Office
P.O. Box 64 3770 AB Barneveld
31 - (0)342-406500 31 - (0)342-406969
internationaloffice@ptcplus.com
www.ptcplus.com

■ **Module Pig Breeding and Artificial Insemination (Part of the IDPiGH & AF and of the IDPiGH)**

Leading to: Certificate
Course duration: 4 Weeks
Next course begins: 4 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

At least a diploma in agricultural science with a major in animal production, or its equivalent from a recognized university.

Professional requirements:

At least 3 years in transferring knowledge of and skills in livestock production.

Other requirements:

Willingness to participate in all aspects of the module.

PTC+
International Office
P.O. Box 64 3770 AB Barneveld
31 - (0)342-406500 31 - (0)342-406969
internationaloffice@ptcplus.com
www.ptcplus.com

■ **Module Training and Extension (Part of the IDPiGH & AF, of the IDPiGH, of the IDPoultryH & AF and of the IDPoultryH)**

Leading to: Certificate
Course duration: 2 Weeks
Next course begins: 18 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

At least a diploma in agricultural science with a major in animal production, or its equivalent from a recognized university.

Professional requirements:

At least 3 years in transferring knowledge of and skills in livestock production.

Other requirements:

Willingness to participate in all aspects of the module.

UNESCO-IHE Institute for Water Education

Urban Water and Sanitation

P.O. Box 3015 2601 DA Delft
31 - (0)15-2151715 31 - (0)15-2122921
info@unesco-ihe.org www.unesco-ihe.org

■ **Conventional Surface Water Treatment**

Leading to: Certificate
Course duration: 3 Weeks
Next course begins: 8 February 2010
Academic application deadline: 1 September 2009

Educational requirements:
BSc degree or equivalent qualification in a relevant subject from a recognized university.

Professional requirements:
Practical or research work experience.

UNESCO-IHE Institute for Water Education

Urban Water and Sanitation

P.O. Box 3015 2601 DA Delft
31 - (0)15-2151715 31 - (0)15-2122921
info@unesco-ihe.org www.unesco-ihe.org

■ **Groundwater Resources and Treatment**

Leading to: Certificate
Course duration: 3 Weeks
Next course begins: 1 March 2010
Academic application deadline: 1 September 2009

Educational requirements:
Academic level or at least BSc.

Professional requirements:
2-3 years professional experience.

Wageningen International - CD&IC Programme

International Training

P.O. Box 88 6700 AB Wageningen
31 - (0)317-486800 31 - (0)317-486801
info.wi@wur.nl www.cdic.wur.nl

■ **Climate change adaptation in agriculture and natural resources management**

Leading to: Certificate
Course duration: 2 Weeks
Next course begins: 1 March 2010
Academic application deadline: 1 September 2009

Educational requirements:
MSc degree.

Professional requirements:
National level officers of research institutes, development programs, government and NGOs active in agriculture and NRM, related to climate change.

Wageningen International - CD&IC Programme

International Training

P.O. Box 88 6700 AB Wageningen
31 - (0)317-486800 31 - (0)317-486801
info.wi@wur.nl www.cdic.wur.nl

■ **Competing claims on natural resources**

Leading to: Certificate
Course duration: 2 Weeks
Next course begins: 22 February 2010
Academic application deadline: 1 September 2009

Educational requirements:
MSc degree (preferred) or BSc degree (or equivalent) in forestry, nature conservation, agricultural or social sciences.

Professional requirements:
At least 3 years of professional experience in forestry, agriculture or rural development.

Wageningen International - CD&IC Programme

International Training

P.O. Box 88 6700 AB Wageningen
31 - (0)317-486800 31 - (0)317-486801
info.wi@wur.nl www.cdic.wur.nl

■ **Local governance and rural decentralisation: multi-stakeholder processes for institutional strengthening**

Leading to: Certificate
Course duration: 2 Weeks
Next course begins: 8 February 2010
Academic application deadline: 1 September 2009

Educational requirements:
MSc level.

Professional requirements:
National & regional level officials of development programmes and projects; Line Ministry & local governance officials; NGOs employees active in NRM.

Wageningen International - CD&IC Programme

International Training

P.O. Box 88 6700 AB Wageningen
31 - (0)317-486800 31 - (0)317-486801
info.wi@wur.nl www.cdic.wur.nl

■ **Participatory planning, monitoring & evaluation - navigating & managing for impact**

Leading to: Certificate
Course duration: 3 Weeks
Next course begins: 1 March 2010
Academic application deadline: 1 September 2009

Educational requirements:
BSc or MSc level or its equivalent.

Professional requirements:
At least 5 years of professional experience in rural development.

Architecture and town planning

International Institute for Geo-information Science and Earth Observation (ITC)

Education Affairs

P.O. Box 6 7500 AA Enschede
31 - (0)53-4874444 31 - (0)53-4874400
education@itc.nl www.itc.nl

■ **Spatial Interventions in Urban Planning and Management**

Leading to: Certificate
Course duration: 9 Weeks
Next course begins: 8 March 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc degree from a recognized university, in a discipline relevant to the programme. Skills & experience with GIS & Remote Sensing.

Professional requirements:

Some years of work experience in urban planning and management is recommended.

Other requirements:

Ability to use at least one GIS software package: (e.g. ArcGIS, ArcInfo, ArcView, ILWIS, IDRISI). Good background in computers is recommended.

International Institute for Geo-information Science and Earth Observation (ITC)

Education Affairs

P.O. Box 6 7500 AA Enschede
31 - (0)53-4874444 31 - (0)53-4874400
education@itc.nl www.itc.nl

■ **Analyzing and Monitoring Urban Development**

Leading to: Certificate
Course duration: 9 Weeks
Next course begins: 4 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc degree from a recognized university, in a discipline relevant to the programme. Skills and experience with GIS and Remote Sensing.

Professional requirements:

Some years of work experience in Urban Planning and Management is recommended.

Other requirements:

Ability to use at least one GIS software package (e.g. ArcGIS, ArcInfo, ArcView, ILWIS, IDRISI). Good background in computers is required.

International Institute for Geo-information Science and Earth Observation (ITC)

Education Affairs

P.O. Box 6 7500 AA Enschede
31 - (0)53-4874444 31 - (0)53-4874400
education@itc.nl www.itc.nl

■ **Introduction to Geoinformatics**

Leading to: Certificate
Course duration: 12 Weeks
Next course begins: 18 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

University entrance level in mathematics for all options.

Professional requirements:

Several years of work experience in relevant field is recommended.

International Institute for Geo-information Science and Earth Observation (ITC)

Education Affairs

P.O. Box 6 7500 AA Enschede
31 - (0)53-4874444 31 - (0)53-4874400
education@itc.nl www.itc.nl

■ **Principles of Land Administration**

Leading to: Certificate
Course duration: 12 Weeks
Next course begins: 15 February 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc in land related subject.

International Institute for Geo-information Science and Earth Observation (ITC)

Education Affairs

P.O. Box 6 7500 AA Enschede
31 - (0)53-4874444 31 - (0)53-4874400
education@itc.nl www.itc.nl

■ **Distance Course in Principles of Databases**

Leading to: Certificate
Course duration: 8 Weeks
Next course begins: 8 February 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc in a field relevant to the course.

Professional requirements:

Professional experience is not required.

Other requirements:

Study materials and guidance.

International Institute for Geo-information Science and Earth Observation (ITC)

Education Affairs

P.O. Box 6 7500 AA Enschede
31 - (0)53-4874444 31 - (0)53-4874400
education@itc.nl www.itc.nl

■ **Diploma Course in Geo-information Science & Earth Observation for Geoinformatics**

Leading to: Diploma
Course duration: 9 Months
Next course begins: 11 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

University entrance level in mathematics for all options, plus university entrance level in geography for cartographic options.

Professional requirements:

3 years of relevant professional experience.

Other requirements:

Good stereoscopic vision for those opting for the Digital Photogrammetry and Remote Sensing specialization.

Business administration and management

Maastricht School of Management (MSM)

Executive Education Programs Department

P.O. Box 1203 6201 BE Maastricht
31 - (0)43-3870808 31 - (0)43-3870800
ep@msm.nl www.msm.nl

■ **Financial Management (FM)**

Leading to: Diploma
Course duration: 12 Weeks
Next course begins: 15 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

Bachelor's degree or equivalent in a relevant field of study.

Professional requirements:

6 years of professional experience with at least 3 years in a relevant position related to the course.

Other requirements:

Financial professionals, managers, consultants and lecturers working in the finance area.

Maastricht School of Management (MSM)

Executive Education Programs Department

P.O. Box 1203 6201 BE Maastricht
31 - (0)43-3870808 31 - (0)43-3870800
ep@msm.nl www.msm.nl

■ **Strategic Management (GSM)**

Leading to: Certificate
Course duration: 3 Weeks
Next course begins: 15 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

Bachelor's degree or equivalent in a related field of study.

Professional requirements:

6 years of professional experience with at least 3 years in a relevant position related to the course.

Other requirements:

Managers from the private/public sector, consultants and lecturers from the management field.

Engineering

UNESCO-IHE Institute for Water Education

Water Engineering

P.O. Box 3015 2601 DA Delft
31 - (0)15-2151715 31 - (0)15-2122921
info@unesco-ihe.org www.unesco-ihe.org

■ **Coastal Systems**

Leading to: Certificate
Course duration: 3 Weeks
Next course begins: 11 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc degree or equivalent qualification in a relevant subject from a recognised university.

Professional requirements:

Practical or research work experience.

UNESCO-IHE Institute for Water Education

Water Engineering

P.O. Box 3015 2601 DA Delft
31 - (0)15-2151715 31 - (0)15-2122921
info@unesco-ihe.org www.unesco-ihe.org

■ **On-line course Integrated Coastal Zone Management**

Leading to: Certificate
Course duration: 4 Months
Next course begins: 1 March 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc degree or equivalent qualification in a relevant subject from a recognised university.

Professional requirements:

Preferably some years in the field of coastal zone management or related.

Other requirements:

Participants must have access to a PC with Windows (XP/2000/98) with a Pentium 266 MHz processor, 64 MB RAM and a video card.

UNESCO-IHE Institute for Water Education

Water Engineering

■ **On-line course Flood Modelling for Management**

Leading to: Certificate
Course duration: 11 Weeks
Next course begins: 1 March 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc level in Civil Engineering, Mathematics, Physics and Agronomy.

Professional requirements:

Professional experience in water sector. Experience in flood modelling or flood management can be added advantage.

Other requirements:

Participants must have access to a PC with Windows

(XP/2000/98) with a Pentium 266 MHz processor, 64 MB RAM and a video card.

info@unesco-ihe.org www.unesco-ihe.org

■ **Coastal and Port Structures II**

Leading to: Certificate
Course duration: 3 Weeks
Next course begins: 1 March 2010
Academic application deadline: 1 September 2009

Educational requirements:
BSc degree or equivalent qualification in a relevant subject from a recognised university.
Professional requirements:
Practical or research work experience.

UNESCO-IHE Institute for Water Education

■ **Coastal and Port Structures I**

Leading to: Certificate
Course duration: 3 Weeks
Next course begins: 8 February 2010
Academic application deadline: 1 September 2009

Educational requirements:
BSc degree or equivalent qualification in a relevant subject from a recognised university.
Professional requirements:
Practical or research work experience.

UNESCO-IHE Institute for Water Education

Urban Water and Sanitation

P.O. Box 3015 2601 DA Delft
31 - (0)15-2151715 31 - (0)15-2122921
info@unesco-ihe.org www.unesco-ihe.org

■ **On-line course Sanitation-related urban groundwater pollution**

Leading to: Certificate
Course duration: 4 Months
Next course begins: 1 March 2010
Academic application deadline: 1 September 2009

Educational requirements:
BSc degree in civil engineering or similar technical background.
Professional requirements:
No special requirements. Nevertheless a few years of professional experience in water sector.
Other requirements:
Basic PC knowledge (MS-windows, MS-Office), PC with loudspeakers/headphones and good working Internet access.

UNESCO-IHE Institute for Water Education

■ **On-line course in Service Oriented Management of Irrigation Systems**

Leading to: Certificate
Course duration: 4 Months
Next course begins: 15 January 2010
Academic application deadline: 1 September 2009

Educational requirements:
A bachelor's degree in relevant field with some working experience in irrigation.
Professional requirements:
A few years of working experience.
Other requirements:
Knowledge MS-windows, MS-Office. PC with loudspeakers/headphones and good working Internet access; PC microphone and WEB camera are optional.

■ Applications of Earth Observation and GIS in Integrated Water Resources Management

Leading to: Certificate
Course duration: 4 Months
Next course begins: 18 January 2010
Academic application deadline: 1 September 2009

Educational requirements:

BSc in a relevant subject.

Professional requirements:

Preferably 2 years of professional experience.

Other requirements:

Basic knowledge of Geographic Information Systems and Earth Observation and computer skills.

International Institute for Geo-information Science and Earth Observation (ITC)

Education Affairs
